

ARIEL

ROUGE

PRODUCTION NOTES

ARIEL Rouge is made in a sustainable winery in Paso Robles, California. This dealcoholized wine is made from a blend of premium red grape varieties. After the fruit is crushed, it is fermented in stainless steel with the skins for optimum color extraction and complex development of aromas and flavors. Some of the finished wine is oak-aged for additional complexity. Just prior to bottling, the alcohol is gently removed by cold filtration, leaving less than 0.5% alcohol by volume.

WINEMAKER COMMENTS

ARIEL Rouge offers aromas of cranberry, strawberry and plum with soft tannins and a dry finish. Enjoy it as an alcohol-free and food-friendly accompaniment to beef, lamb and red sauce dishes.
